MEMORANDUM

The following cases were discussed by me with Mr. Lilienthal and Mr. Johnson with a view to settlement:

Docket No. 62

Lilienthal offered to accept \$35,000 in full settlement. After discussion he offered \$20,000. I made a counter-offer of settling on a basis of \$250.00 a year, which would amount to about \$3,000.

Docket No. 308

I offered ^{\$1,500} ~~\$15,000~~ in settlement pointing out that the original petition asked only for \$2,000 although the questionnaire asked for a larger amount. Mr. Lilienthal declined to settle this case unless we could also settle No. 62 in view of the fact that the claimant is the same in both cases.

Docket No. 1112

I had originally offered \$750. Later Mr. Lilienthal offered to accept \$1200. We agreed to settle for \$1,000.

Docket No. 228

I replied that I could not consider a substantial compensation in this case in view of the fact that the War Department recommended nominal compensation and that our testimony shows that the patents relate to minor details and are of little value. In view of the fact, however, that Mr. Lilienthal stated that these inventions were used on ships I agreed to consult the Navy Department.
